REMARKS

Applicant appreciates the telephone conference with Primary Examiner Corrielus.

As explained in the phone conference, the Final Office Action cited new art and indicated that Claims 10-15, 19, 20, 34, 38 and 42 would be allowed if rewritten in independent form.

Accordingly, these claims have now been written in independent form, and the Rule 116 Remarks section clearly identifies the correspondence between the allowed claims and the new claims.

Thus, there are no new issues that would require further consideration and/or search.

The undersigned attorney is not even aware of what issues remain for an appeal, since the claims only present already allowed subject matter.

Reconsideration and clarification is hereby requested.

If a further telephone conference would assist, the undersigned attorney can be reached at the listed phone number.
